

Utility-Owned and Customer-Owned Natural Gas Piping and Equipment for Residential Service

The City of Rocky Mount is responsible for the maintenance and repair of the service equipment in blue.

The repair and maintenance of the equipment in red is the responsibility of the customer and must be performed by a licensed HVAC contractor.

Know what's below.
Call **811** before you dig.

For gas, electric, water and sewer emergencies, call (252) 467-4800. Dispatchers are available 24/7.

**Exterior piping only applies to customers with outdoor natural gas appliances such as: grills, fire pits, patio heaters, pool and spa heaters, light fixtures, and heated exterior buildings*
